

WOW VILLAGE (National Partner in Recovery)

After the successful collaboration of educational lecture series on Brain and Body for all walks of life with and collaborating with different agencies on Health (from Addiction to Autism), environmental issues is now inviting

You/ your partner to join us for a pleasant/Brainstorming eve for
ART and HEALING-----THE EASTERN WISDOM

On Saturday, 27th September, 2008,6-9 pm

WOW VILLAGE, Log Cabin, 4995/5001, East Grand Ave

Hot springs National Park, AR, 71901

Real people. Real Recovery
JOIN THE VOICE OF RECOVERY

The ARTIST, POETS, EDUCATORS, HEALERS, WRITERS and CREATIVE workers are the tools of Transforming Humanity; they shape our destiny and wake us up to our new capacities. As we move, fight, plant and build, they are the creators of the instruments of action and THE CENTRE of Values and Intuitive connection with the larger process. From this new perspective, Humans become HUMAN KIND, one body on the EARTH-----THEY ARE THE ARCHITECT OF IMAGE OF BETTER HUMANITY

Thinkers believe that there is an innate pattern and tendencies in evolution towards higher Consciousness and greater Freedom through more harmonious UNION. By LOVING all people as members of ONE BODY, recognising the ONENESS of HUMAN KIND and our Planet, we will be able to gain an understanding of our own UNIVERSE this and coordination and Cooperation will limit destructive growth and move towards next phase of Human Development leading to replication of these new patterns in future Please join The Dreamers, Thinkers, leaders and Advocates of this STATE to learn, share and vision of creating healthy communities for our children and families. In the tranquil environment of WOW VILLAGE, a home for future Brain storming years to come, enjoy the music, food and thoughts for your mind and soul. Hotspring, being included in the top art communities in the country, how we could incorporate various forms of art expressions to prevent illness and promote health in this beautiful home of ours.

Looking forward to meet all of you on behalf of WOW Village Team of Directors and advisors from all over the country

Shamshad Haroon, MD

Child and Adolescent Psychiatrist
